Reverend Sean Connor

Pastor

Sacred Heart/St Thomas More Collaborative

55 Commercial Street

Weymouth, Massachusetts 02188-12604

Dear Father Sean and Faithful Sacred Heart/St. Thomas More Parishioners,

Words can never express our gratitude for your continued commitment to our ministry of life. You, our benefactors, allow us to offer our courageous residents a place where they can rest knowing that Jesus has a plan for their lives. We have received your very generous recent donation of the household cleaning products, food products, and handknit baby blankets, hats and booties "Friends" offers our heartfelt thanks for your continuing charity to our mission to homeless, pregnant women.

It is our firm belief as it is yours, that every unborn child bears the face of the Lord and we are humbled by the call He has placed on our ministry.

Later this year, Pope Paul VI will be canonized for his intercession on behalf of **two unborn babies who were inexplicably healed when their mothers appealed to him, after being advised to have abortions. Both women entrusted their pregnancies to him and now have healthy adult children.**

During this most holy season, we pray you count every day as a miracle and experience hope in the new life promised by our Risen Lord!

His for Life,

Joan Bailey, Executive Director

*"Before I formed you in the womb, I knew you."*

Jeremiah 1:5
